

2017 POWER PRICE LIST

- Some of the listed suppliers offer special pricing but also have special terms and restrictions that apply. Please be sure to read all Exclusions.
- Suppliers reserve the right to end or change their pricing program.
- Special pricing does not include extra charges unless noted.
- K&B is not responsible for pricing issues resulting from suppliers not honoring their EQP agreements.
- Throughout the year, we will post any amendments to this list with the most current information. Those updates will be posted to the Dealer Resources section of Kaeser Central.
- Orders must be marked "EQP" (if applicable) to receive end quantity pricing from K&B.
- PMS listed as N/C are "close as possible" matches.
